

Phone Tree 1/23/12

The tour company asked us last week if we would try to get 40 students for one bus to Florida. Students were told last week. Tomorrow is our last turn in day for the trip to make. We need 40 people to have \$240 in their trip account by tomorrow. If we have 40, we will take the trip, if not, all payments will be refunded and the trip will be cancelled.

Remember the booster meeting tomorrow night at 7:00PM in the band hall. We have much to discuss! Please plan to attend!
