

## **Scholarship Fund**

Riverdale High School Band provides an outstanding opportunity for young men and women to learn and expand their music and marching talents. In addition to these skills students also learn team work, peer leadership, and organizational techniques. This experience helps students academically and helps the students develop proficient life skills needed for college or the work environment. Students that participate and remain active in the Riverdale Band throughout high school have a 100% graduation rate from high school. We would like to extend the opportunity to participate in all the band activities to every student that desires to be in the band. Unfortunately not all families have the financial means to pay the necessary dues associated with a quality program. A scholarship fund has been formed by the Band Boosters to help provide financial support for every student that desires to participate in the Riverdale Band. We are seeking donations to this fund. Donations may be made to the general scholarship fund or earmarked for a specific student. Donations are tax deductible. Please contact Ron Meers, Director or Frank Powell, Band Booster President for further details or to make a donation.

Donations may be mailed to:
