***All Rehearsals** (Rifle and Guard) are **mandatory**. You must come to at least **ONE** boot camp per week to remain on the line. The more you come, the better off you will be. Monday and Friday boot camps are at RHS. Wednesday we will meet at the Olympus on Church Street (This is if you already have a membership – It is only \$15/month with an initial sign up fee – Totally worth it in my opinion). The **Car Wash** is also mandatory, this is to help pay for additional guard supplies (i.e. Flags, Wind Suits, Uniforms, etc.). If, for any reason, you cannot make it to a boot camp, rehearsal, or the car wash, you must call me (Robin). It HAS to be a **VALID** excuse. If you miss so much, I cannot allow you to march. Last but not least, I would like everyone (including parents) to make it to the guard party. We will be discussing the future endeavors of the guard, and I need everyone's thoughts and opinions.
