

KROGER CARES CARD INFORMATION

Thank you for purchasing your Kroger Cares card from the Riverdale Warrior Band. Each time you recharge your card our band receives 4% of that amount. Any amount you earn over \$50.00 goes into your child's band account. (This goes from August through July) You may have more than one card in your child's name and they may be used in ANY KROGER STORE.

Guidelines:

Remember the card must have money on it before you can use it to pay for your groceries. It is like a "rechargeable gift certificate". When you pay \$5.00 for you Kroger Cares card, the card has \$5.00 of credit on it. You will want to add money at the checkout register **BEFORE** you make you your first grocery purchase! There are two ways to do this: 1) You may add money at the checkout **BEFORE** items are scanned 2) you may go to Customer Service and add money there.

Assuming that you plan to use #1:

- 1- Before any items are scanned, tell the cashier that you want to add money to your Kroger Cares card. Add whatever amount you think you will spend that day, or more, if you like. Any remaining balance will be left on the card for your next Kroger visit.
- 2- Write a check, pay cash, or use a credit or debit card to pay for the total amount you want to add to your card.
- 3- Let the cashier scan and total you grocery items.
- 4- Use your Kroger Cares card on the credit card scanner to pay for this transaction. (If you are shopping in the self-service line, the Kroger Cares card is one of the options for payment). Any remaining balance stays on the card until the next time you shop. Note- you do not have to sign anything when you use your Kroger Cares card. Just slide your card, get your receipt, and leave!
- 5- Your support means so much to our band! Thanks.

If you have any questions about using this card, please do not hesitate to call Melinda Arnold @ 494-3471. You must purchase the cards from the band office.
