

PARKING CHANGES FOR 2016 DIVISION 1

Riverdale is hosting 2 events this year on the day of Division 1 which may create some parking challenges. Whenever possible, please car pool. Please see the attached map for guidance.

Busses with students and trailers with equipment will use ENTRANCE B on the map.

Pit crew not on bus or trailers should use ENTRANCE A.

Spectators and tailgaters should use ENTRANCE C.

Due to managing the parking lot for both events, we are asking that once busses and trailers are parked in the main lot, that they remain parked there until the end of the competition. We may not have the staff available to hold your spot if you leave after the initial assignment.

Thank you for your cooperation. Please share with directors, boosters, and parents for a smooth parking experience at Division 1.
