

TENNESSEE STATE MARCHING BAND CHAMPIONSHIP

- DIVISION I

RULES & GUIDELINES

STATEMENT OF PHILOSOPHY

The purpose for the establishment of the Division I State Marching Band Championship is to provide the bands of smaller schools with a high-quality, prestigious event in which each participant has a reasonable chance to win the top prize. It is our hope that these bands will be boosted by the challenge and realistic possibility of becoming Tennessee State Marching Band Champions and will strive to become the best they can be. It is our hope that every band student and supporter involved in this event will display good sportsmanship and will strive to become champions by pursuing excellence and that they will recognize this pursuit is what makes champions and not the trophies that might elude.
