Dear Band Parent Organization,

I personally wanted to reach out to you all and welcome you to our 40th Annual Division I Tennessee Marching Band State Championship! I know you have all put in a vast amount of hours in preparing your band family for this season, and it is my personal wish that we can end your season with a truly wonderful experience at your state championship competition.

I need to let you know of a few things going into this event. First, we have had a tragic loss to our football concessions stand due to a fire. We are currently preparing for the inability to not have any access to the concessions stand by November 4th. We are working on a multitude of ideas to make sure that this will in no way affect your day here at Riverdale High School. However, we want to apologize in advance for any unforeseen inconveniences that may arise from this devastating loss, and I want to thank you for understanding.

We have a few forms that you will be able to complete and return back in order to reserve tickets, t-shirts/souvenirs, and meals for your band family members. These forms need to be returned via email by October 9th and monies will be collected at registration. All checks should be made payable to "Riverdale Band Boosters."

As in the past, our parking situation will be a slight difficulty, and we ask that each band please only park the vehicles carrying necessary equipment in the appropriate parking lot. All other vehicles will be directed to spectator parking. Thank you for your cooperation in this matter.

Each band will receive a specific number of wristbands for admission into the event. It will be up to the band director/staff to pass these wristbands out to students, parent volunteers, and spectators. The number of complimentary tickets provided is based on the size of the band. You will be provided with 6 wristbands + 1 wristband per every ten students. If you need more than this amount, we must know in advance and you may contact me (Becky Blackburn) at tnmarchingbandstatechampions@gmail.com to request a reasonable amount of additional wristbands for your hard working pit crew and chaperoning parents.

If you have any questions or concerns about this event, please do not hesitate to contact me at tnmarchingbandstatechampions@gmail.com. We wish you the best of luck for the remaining time in your season and look forward to seeing you on November 4th.

All the best,
Becky Blackburn
