ABOUT THE RIVERDALE BAND....

The Riverdale High School Band provides a comprehensive music education for students through marching band, concert band, percussion ensemble, and jazz band.

With a student body of over 2,000 students, Riverdale can be an imposing place for new students. However, the band provides a peer-group of over 140 students to help support and ease the transition into high school.

Besides music, band students will develop life skills and excellence as a way of life, through teamwork, travel, and performance. – ***and marching band helps earn both a Fine Arts and P.E. Credit!***

Students who participate in band will have multiple opportunities to perform and develop musical skills. Private instructors are available for lessons to help your student to achieve their potential and help earn college scholarships!

Parents, you'll have the opportunity to meet and interact with other parents, establishing new friendships, all while being involved with your child's high school career.

We invite you to learn about all the opportunities the Riverdale Band can offer you!
