FEEL THE RHYTHM. HEAR THE EXCELLENCE. SUPPORT THE TRADITION.

SEPTEMBER RECAP

Last month we were back in Indian Hills for our annual March-a-thon fundraiser. We were thrilled for such a warm welcome.

We cannot thank our donors and band families enough for their continuous support during this unprecedented time. We will continue to work hard to deliver high-quality fundraisers and never take for granted that our success is built on each and every individual student, family, and supporter that put their trust in us.

Band Newsletter

Dear Parents,

Every year our band program strives to bring the best of academic and extra-curricular opportunities for the students and every year we have been supported by parents like you to hold fundraisers to pay for these opportunities for the students. In this academic year, we have been faced with unforeseen challenges.

We are writing this to inform you of the reason of fundraising and also to seek help from your side. We would appreciate parents to volunteer themselves with the fundraiser and know that each and every one of you do make a difference.

Much of our ongoing expenses are paid for by the money collected from our fundraising events. We haven't seen the level of involvement needed this year to hit our projected fundraising earnings.

Please get in touch with me at riverdalebandfundraisers@gmail.com

Looking forward for your support,
Audrey Jenkins VP Fundraising
